Greetings from the Executive Director

Dear Friends of Interval House of Hamilton:

Please join us for our **8th annual 'Drives for Lives' Golf Tournament, June 2, 2010**. Your support in our event will help us heal children and families who are fleeing domestic violence. In the last twenty years, 483 women and children were murdered in Ontario. We must say **NO MORE** to children growing up in violent homes. Many of our other health and social problems (youth homelessness, addictions, mental health and crime) can all be attributed to growing up in an abusive home. We can make a difference in changing other community problems by addressing violence in the home.

Interval House of Hamilton provides critical behind the scenes resources and immediate life needs for the women and children who are victims of family violence. Protection and resources to fight against violence and abuse of women and children is so fundamentally critical to the health of our communities, our families and our society. Interval House of Hamilton is one of the organizations in need of support to continue to bring these real and continuing crises into focus broaden community awareness.

With the help of our sponsors and friends we've raised over \$20,000 towards Prevention, Education, Emergency Shelter Program, Children's Hero's Program, Legal Advocacy and Counselling Programs last year.

We are very grateful to our past supporters. We would be honoured if you would join us again and we look forward to welcoming new sponsors and friends.

For more information, please register or sponsor online at www.intervalhousehamilton.org or call Leslie at 905-387-9959 x232, or email leslieih@mountaincable.net.

Thank you. Without your help our programs could not continue.

Sincerely,
Clare Freeman, Executive Director
